Mr. F. Tisdall,
14 Whitney Avenue,
Toronto.

Dear Mr. Tisdall:

Many thanks for your kind invitation on behalf of
the third year in Medicine that I should be present at your Annual
Dinner in the Grand Union Hotel on Tuesday, March 3rd. I should
certainly make every effort to go were I to be at home, but I have
to be in New York on that day addressing the Alumni of the University,
and I am to be absent all that week after the Monday. Will you
convey my regrets to your year? I have all the greater regret
because I have so little opportunity of meeting the students.

I am, Yours sincerely,

President.
